Hello,

I'll be filing a motion for substitution of parties in Brannon v. City of New York. Judge Nathan's individual rules (4.A) require communicating with chambers before filing a redacted/under seal document. I'd like to attach to my motion an under seal exhibit containing the Plaintiff's death certificate, which contains information that is redactable under Fed. R. Civ. P., Rule 5.2(a), and is otherwise appropriate for redaction because it contains sensitive information of which the family would like to limit dissemination.

Please advise if I have the Court's approval to file this document under seal.

Thank you,

Jonathan Corbett
Administrator
Estate of Andrea Brannon
